REMARKS

Sir:

A Request for Continued Examination (RCE) is being filed for proper consideration of an accompanying Information Disclosure Statement. Documents cited in the specification were not properly cited on at PTO 1449 Form in the initially filed Information Disclosure Statement.

Furthermore, in the Notice of Allowance mailed on March 1, 2006, the Examiner indicated that a new declaration was required. However, pursuant to a conversation with the Examiner, it was agreed that there is no problem with the declaration. The portion of the declaration referred to by the Examiner is directed to a benefit under 35 U.S.C. § 120. However, no such benefit was claimed. In any case, it is submitted that even that portion of the declaration was not deficient. The
